

Assignments

The Assignments page allows you to view all of the student's assignments for all courses or for a specific course. You may view all assignments, only assignments that have been graded, or only pending assignments (assigned but not yet graded).

How to View Assignments

Click **Assignments** on the menu at the top of any page. The Assignments page will be displayed for the student currently being viewed.

- In the **Course** field, the parent selects a specific course or **All** to view assignments for all courses.
- For **View**, the parent selects the assignments he wishes to view.
- **All Assignments** displays all assignments.
- **Only Graded Assignments** displays only assignments that have been graded.
- **Only Pending Assignments** displays only assignments that have been assigned but not yet graded.
- In the **View only assignments due before** field, the parent enters a date if he wishes to view only assignments that were due before that date. For example, he can enter today's date to see all assignments that were due up to today. He can also click  to select a date from the calendar. This field is optional. If a date is not entered, all assignments will be included in the search.

Note: If a date is entered in this field, and if the teacher has not entered a due date for an assignment, the assignment will not be displayed in the search results.

- Click **Find Assignments**. All assignments that matched the criteria entered are displayed in the table at the bottom of the page.
- In the Assignments table, click **Course** to sort the assignments by course, or click **Due Date** to sort the assignments by due date.

Bacon at Rocky Mountain High School on 8/13/2008 4:33:41 PM'. The search filters include a 'Course' dropdown set to 'W GEO', 'View' options for 'All Assignments', 'Only Graded Assignments' (selected), and 'Only Pending Assignments'. There is a 'View only assignments due before:' field with a calendar icon and a 'Find Assignments' button. Below the filters is a table of assignments:
