

How to Display Help

On any page in txConnect, you may display Help for a page by clicking **Help** in the upper-right corner of the page. The information is displayed in a pop-up box with how-to links to more detailed information in the Help system.

To close the Help pop-up box, click **Hide Help**.

The screenshot shows a web browser window titled "txConnect : Login - Microsoft Internet Explorer". The address bar shows "http://192.168.67.128/txconnect/login.aspx". The page content includes:

- Welcome to txConnect for ROCKY MOUNTAIN ISD**
- Login** section with fields for "User Name" and "Password", and a "Log In" button.
- District Message**: "Welcome to the RSCCC Student Presentation!"
- New User?**: "If you need to create an account, click [here](#)"
- Forgot your Password?**: "If you need help recovering your password, click [here](#)"
- Logon Tips** section with instructions and a warning about account lockout.
- Available languages**: [English](#) and [español](#)

A yellow help pop-up box is visible on the right side of the page, containing the following links:

- [How do I log on to my account?](#)
- [How do I register as a new user?](#)
- [How do I change the language?](#)
- [How do I set up my browser?](#)
- [I forgot my password. How do I reset my password?](#)

The pop-up box also has a "Hide Help" button in the top right corner.
