Every Student Would Benefit

How would my Santo Elementary student benefit from the Proposed Bond?

Expanded Cafeteria Space

- ▶ Santo ISD has outgrown the current 1969-era cafeteria that serves PK-12th grade students
- ▶ Elementary lunch service starts at 10:30 due to limited seating space
- ▶ Current cafeteria space: 5,500 sq/ft
- ▶ Proposed, repurposed gymnasium to cafeteria increases to 12,000 sq/ft
- ▶ New and larger serving line and kitchen space

Inclement Weather Recess Area

- ▶ Current cafeteria would be repurposed into a multi-use space for the elementary campus
- ▶ Could be used for recess on inclement weather days/excessive heat days
- ▶ Stage area would remain for smaller events like Thanksgiving Play, Spelling & Math Bees
- ▶ Would eliminate conflict with One Act Play practice, as Proposed Bond would provide them a repurposed practice/storage facility

What Taxpayers Should Know About Proposition 4

Proposition 4 is one of 14 Constitutional Amendments on the ballot on November 7th. It reduces school tax rates in Texas and increases the Homestead Exemption from \$40,000 to \$100,000.

Passage of Prop 4 would **reduce** the **Tax Bill** on a \$200,000 home in Santo ISD **almost 50%***

**with properly filed Homestead Exemption and no change in property value*

The average SISD homeowner, who has a properly filed Homestead Exemption on their primary residence, would see an **overall tax bill decrease** if Proposition 4 passes in the November election.
