

Binder Organization
English II and III
Binder Check Friday, August 26– daily grade
(I have extra supplies if needed to get this together)

1 inch binder with 5 dividers labeled as follows:

- Warm ups
- Grammar and Analysis Reference --keep all year
- Writing Reference--keep all year
- Vocabulary (save your Latin and Greek root lists all year, save lessons for the semester)
- Notes (this will be for notes on selections that we read, background information, etc.)-empty at the end of semester

Students are responsible for keeping binders up to date with reference materials. Warm ups will be graded every two weeks (stapled and turned in) for daily grades. Warm up material will be included on six week tests. Binders are subject to test grades, which may be announced or unannounced. I will keep a sample binder on hand with all materials that students should keep in their binders.
